

Shaik Mohammed Amaan

Hello,

I am Shaik Mohammed Amaan from 2nd Team. I am Currently pursuing Final Year of BTech in KSRM College Of Engineering. My Primary focus is on programming languages like C and Python. I possess a strong understanding of front-end web development. I have designed a clone of Instagram UI using HTML and CSS. You can view it by <https://xy6zqe.csb.app/>

My main aim of joining here is to gain some knowledge on real-time projects that may give me invaluable hands-on experience, and further enhancing my skills in a real-world context. I am enthusiastic about the opportunity to contribute meaningfully to the project I work on.
